### 2004

**Australian experience in rehabilitation of degraded land**  
Goldney, D. & Parton, K., 2004, *Indo-Australian Chamber of Commerce*. India: Indo-Australian Chamber of Commerce, p. 10 1 p.

Research output: Book chapter/Published conference paper > Conference paper > peer-review

**The need for an integrated approach to sustainable landscape management**  
Goldney, D. & Parton, K., 2004, *Swaminathan Foundation World Environment Day Seminar*. India: Swaminathan Foundation, p. 10 1 p.

Research output: Book chapter/Published conference paper > Conference paper > peer-review

### 1990

**Some management implications for the conservation of vegetation remnants and associated flora and fauna in the Central Western Region (NSW)**  
Goldney, D. & Bowie, I. J. S., 1990, *Australian Ecosystems: 200 Years of Utilization, Degradation and Conservation. Proceedings of the Ecological Society of Aust.* p. 427-440

### 1987

**Land use and population**  
Goldney, D. & Bowie, I. J. S., 1987, *National Trust scenic and scientific survey of the Central Western Region of NSW*. Goldney, D. & Bowie, I. J. S. (eds.). Vol. 1.

**National Trust scenic and scientific survey of the Central Western Region of NSW, Vol. I. Natural land areas: Five colour separation map, (950 x 1200mm). Scale 1/400 000**  
Goldney, D. & Bowie, I. J. S., 1987

Research output: Book/Report > Commissioned report (public)

**National Trust scenic and scientific survey of the Central Western Region of NSW, Vol. I.**  
Goldney, D. & Bowie, I. J. S., 1987

Research output: Book/Report > Commissioned report (public)

**National Trust scenic and scientific survey of the Central Western Region of NSW, Vol. I. Amenity and sites of scientific significance: Five Colour Separation Map, (950 x 1200 mm), scale 1/400 000.**  
Goldney, D. & Bowie, I. J. S., 1987

Research output: Book/Report > Commissioned report (public)

**National Trust scenic and scientific survey of the Central Western Region of NSW, Vol. I. Forest cover and land tenure: Five Colour Separation (950 x 1200 mm). Scale 1/400 000**  
Goldney, D. & Bowie, I. J. S., 1987

Research output: Book/Report > Commissioned report (public)

**National Trust scenic and scientific survey of the Central Western Region of NSW, Vol. I. The survey of scientific and scenic sites**  
Goldney, D. & Bowie, I. J. S., 1987, 8 p.

Research output: Book/Report > Commissioned report (public)

**National Trust scenic and scientific survey of the Central Western Region of NSW, Vol. II: Appendix 3(2) The amphibians of the Central Western Region**  
Goldney, D. & McArtney, I., 1987

Research output: Book/Report > Commissioned report (public)

**National Trust scenic and scientific survey of the Central Western Region of NSW, Vol. II**  
Goldney, D. & Bowie, I. J. S., 1987

Research output: Book/Report > Commissioned report (public)

### 1982

**National Trust scenic and scientific survey of the Central Western Region of NSW, Vol. I: Recommendations for conservation and development**  
Goldney, D. & Bowie, I. J. S., 1982

Research output: Book/Report > Commissioned report (public)

### 1981

**The use of Landsat imagery by a conservation group.**  
Goldney, D., 1981, *Proceedings of the 2nd Australian Remote Sensing Conference, Canberra*. Vol. 1. p. 2-10

Research output: Book chapter/Published conference paper > Conference paper > peer-review

### 1976

**Ethylene production and other biochemical changes in detached leaves of *Nymphoides indica***  
Goldney, D. & Van Steveninck, R. F., 1976, *Plant Growth Substances*. Carr, J. (ed.). Springer-Verlag London Ltd., p. 604-610

Research output: Book chapter/Published conference paper > Chapter

### 1972

**Chloroplast peripheral reticulum in *Nymphoides indica***  
van Steveninck, M. E., Goldney, D. & van Steveninck, R. F. M., 1972, In: *Zeitschrift fuer Pflanzenphysiologie*. 67, 2, p. 155-160 6 p.

Research output: Contribution to journal > Article > peer-review
